EDUCATION

CHITKARA UNIVERSITY

B.E CSE

CGPA: 8.52

2020 - 2024

Baddi, Himachal Pradesh

ST. ANNE'S HIGH SCHOOL

CLASS XII CBSE

2019 - 2020

Patna, Bihar

EXPERIENCE

SIEMENS UNDER GRADUATE PROGRAM | TRAINEE

July 2023 – Dec 2023

- Recruited through campus selection, and completed Siemens' PLM training program.
- Proficient in server-side customization, and ITK code development.
- Led team project on syllabus management, demonstrating the practical application of skills in a collaborative environment.

SKILLS

PROGRAMMING LANGUAGES

LIBRARIES/Frameworks

TOOLS / PLATFORMS

DATABASES

C++, Java, JavaScript, HTML, CSS

DSA, Node.js, Express.js, React.js, Typescript

AWS, VsCode, Android Studio, Eclipse, Teamcenter

MySQL, MongoDB

PROJECTS / OPEN-SOURCE

STOCKWEB | [LINK](#)

JavaScript, HTML, CSS, Bootstrap

- Developed a responsive StockWeb platform with HTML, CSS, and JavaScript, enabling margin calculation for stocks and cryptocurrencies with real-time rates via integrated APIs.

SYLLABUS MANAGEMENT

Teamcenter, C, JavaScript, XML,

- Led a collaborative team project on syllabus management during Siemens' undergraduate program. Developed and implemented innovative solutions, showcasing my adeptness in PLM, server-side customization, and ITK code development. The project underscored my ability to apply theoretical knowledge to real-world scenarios within a dynamic team environment.

LOCALHOST CHAT APPLICATION | [LINK](#)

Node.js, Socket.IO, Express.js, HTML, CSS, javascript

- The Localhost Chat Application is a simple yet powerful real-time chat application that allows users to communicate with each other in a secure and efficient manner. The application is designed to run on a local machine (localhost) and can be accessed by multiple users at the same time.

CERTIFICATIONS

- Object Oriented Programming - Coding Ninja.
- Advanced Web Development - Coding Ninja.
- Data Structures in Java - Coding Ninja.
- Teamcenter - Teamcenter x Associate - **XCELERATOR ACADEMY (SIEMENS)**
